

MAK SOLVEX

SOLVENT DEGREASER/
CLEANER (NSF K1) -
MC616

PRODUCT INFORMATION

MAK SOLVEX is an excellent and effective degreaser with NSF K1 food certification. Specially designed for all types of degreasing and cleaning in the metallurgical, plastics and food industries. **MAK SOLVEX** is used in all other areas of industry where maximum purity and degreasing without hazardous chemicals is required. **MAK SOLVEX** is completely odourless, designed for degreasing synthetic and mineral oils. Perfectly degreases steel dust, inorganic soiling and all workshop materials. **MAK SOLVEX** does not corrode or contain any toxic substances. Due to its special formulation, it is completely safe for metal, galvanized surfaces and plastic parts. Its fast evaporation and low surface tension, enables **MAK SOLVEX** to be used for precise, residue-free machining and surface cleaning applications.

● Typical Applications

- Degreasing mechanical parts
- Degreasing machine tools
- Degreasing bearings
- Degreasing gears
- General maintenance
- Mould cleaning during casting and pressing
- Cleaning surfaces before assembly

● Beneficial Qualities

- Fast evaporation
- NSF K1 Certification
- Completely odourless
- Hand wash parts in a solvent bath
- Suitable for degreasing before painting

MAK SOLVEX

SOLVENT DEGREASER/CLEANER (NSF K1) - MC616

Technical Details

Appearance / Colour.....Liquid / Clear
OdourOdourless
Auto-Ignition Temperatureabove 230°C

Density745 kg / m³
Surface tension 24.7 dynes / cm
Flash point.....30°C
Refractive index.....1.4150

**CAUTION:
DO NOT DILUTE WITH WATER**

Instructions for Use

1. Apply using a cloth, hand spray or brush
2. Leave for a few minutes
3. Wipe with a clean cloth or dry with compressed air
4. Repeat if necessary
5. For large parts, the product can be used in a solvent bath
6. Food processing equipment or utensils treated must be washed with an acceptable detergent solution, and thoroughly rinsed with potable water before returning to a processing area.

Product Manufactured in Czech Republic.

DISCLAIMER NOTICE:

A&S International Ltd does not guarantee that the information about the product is complete or accurate in all respects.
A&S International Ltd does not warrant that the product is suitable for your specific use of the product.
A&S International Ltd shall not be liable for any consequential loss, incidental loss, damages resulting from misuse or sale of the product.
The product should be tested on a non-visible part of the area to be cleaned to ensure that it is suitable for use thereon.
